Welcome to **Tech Interiors and Designers**, a trusted name in **interior design and decorating services in Pune** with over **20 years of expertise**. From cozy 1BHK apartments to luxurious bungalows and multi-storeyed buildings, we transform spaces into elegant, functional, and personalized homes and workplaces.

With a team of **skilled artisans, carpenters, painters, and civil experts**, we bring your vision to life while ensuring top-notch quality, timely delivery, and complete transparency.

---

### Why Choose Tech Interiors and Designers?

- ✓ 20+ years of experience in **residential and commercial interiors**
  - ✓ Projects across **Pune, Mumbai, Thane, Nashik, Satara, Sangamner & Bhigwan**
  - ✓ End-to-end services: **design, execution & finishing**
  - ✓ Specialized teams for **carpentry, painting, electrification, plumbing & more**
  - ✓ **On-time project delivery** without compromising on quality
  - ✓ Flexible to work with your **budget and requirements**
- 

### Our Services

At Tech Interiors and Designers, we offer a complete range of interior design and home improvement solutions:

- **Furniture & Custom Carpentry** – Premium furniture tailored to your space and style.
  - **Modular Kitchens** – Stylish, ergonomic, and functional kitchens.
  - **Acoustic & Home Theatre Design** – Perfect setups for immersive experiences.
  - **Civil & Renovation Work** – From structural changes to finishing touches.
  - **False Ceiling & POP Designs** – Modern, aesthetic ceiling solutions.
  - **Professional Painting Services** – Durable finishes with premium quality paints.
  - **Home Automation** – Smart solutions for modern living.
  - **3D Designing & Visualization** – Realistic previews before execution.
-

## Our Process

We believe in creating **personalized interiors** that reflect your lifestyle. Our simple, client-focused process includes:

1. **Site Visit & Consultation** – Understanding your needs, budget, likes & dislikes.
  2. **Quotation & Planning** – Transparent pricing and scope finalization.
  3. **3D Design & Approval** – Virtual walkthroughs to finalize the design.
  4. **Material Selection Assistance** – Guidance for flooring, laminates, paints & finishes.
  5. **Execution & Handover** – Skilled teams ensure timely completion with top-quality results.
- 

## Our Work Across Pune & Beyond

We have successfully completed projects in **Viman Nagar (Eden Garden, Nico Garden, Rohan Mithila)**, **Dhayari, Nanded City (Sur & Kalashree Apartments)**, **Vishrantwadi, Alandi, Baner, Kharadi**, as well as in **Nashik, Mumbai, Thane, Satara, Sangamner, and Bhigwan**.

## Transform Your Space with Tech Interiors and Designers

Whether it's a **modern apartment, luxurious bungalow, commercial office, or retail space**, we bring creativity, precision, and functionality to every project.

# About Us – Tech Interiors and Designers

With over **20 years of excellence in interior design and decoration**, **Tech Interiors and Designers** has become a trusted name in **Pune and across Maharashtra**. Founded with the vision of delivering **quality, creativity, and functionality**, we specialize in both **residential and commercial interiors**.

Our philosophy is simple: *“Designs that reflect you.”*

We work closely with clients, understand their lifestyle, needs, and budget, and then craft customized solutions that balance **aesthetics with practicality**.

## Our Strengths

- A team of **skilled artisans, carpenters, painters, and civil experts**
- End-to-end project management: **design, execution & finishing**
- Ability to handle projects of all sizes – from **1/2/3/4/5BHK apartments to luxury bungalows, row houses, and offices**
- Proven record of **on-time delivery and uncompromised quality**

We have proudly completed projects in **Viman Nagar, Dhayari, Nanded City, Baner, Vishrantwadi, Alandi, Kharadi**, and many more localities in Pune, as well as **Mumbai, Thane, Nashik, Satara, Sangamner, and Bhigwan**.

# Our Services – Tech Interiors and Designers

At **Tech Interiors and Designers**, we provide **end-to-end interior design and execution services** with precision, creativity, and quality craftsmanship. Our dedicated teams ensure that every project is handled professionally and delivered on time.

---

## 1. Furniture & Custom Carpentry

We have a team of **skilled carpenters and craftsmen** who create **premium-quality furniture** tailored to your space and lifestyle. We use only **branded and high-quality materials** such as **Century / Greenply plywood, Hettich, Hafele, and Godrej hardware**, ensuring durability and long-lasting performance.

Every furniture piece is designed in alignment with **3D visuals**, so what you see during planning is exactly what you get in reality – often better. From **wardrobes, TV units, study tables, beds, and dining sets** to **customized office furniture**, we provide functional designs with a flawless finish.

---

## 2. Modular Kitchens

We design and execute **modern modular kitchens from the ground up**, blending **functionality with elegance**. Our kitchens are made with **acrylic shutters, tandem boxes, and stainless-steel frames** for maximum durability.

Each kitchen is **custom-built** to fit your layout, needs, and cooking style. We also include **lofts, tall units for storage, pull-out utility racks, corner units, and built-in appliances** to maximize efficiency and accessibility.

Our focus is not just on aesthetics but also on **ergonomics and ease of use**, ensuring that every element makes working in the kitchen a joy.

---

## 3. Acoustic & Home Theatre Solutions

We specialize in creating **soundproof and acoustically treated spaces** for home theatres, offices, studios, and study rooms. Our **dedicated acoustic team** uses advanced tools and materials such as **glass wool, acoustic panels, MDF board, mineral wool, bass traps, diffusers, and perforated wooden panels** to achieve superior sound insulation.

We also design and install **soundproof windows, doors, and partitions**, ensuring minimal noise interference. By combining **modern audio-visual technology with expert acoustic engineering**, we deliver **immersive home theatre experiences** that rival cinema halls.

---

## 4. Civil Work & Renovation

Our **civil team** handles all kinds of **structural and renovation work**, ensuring a strong foundation for your interiors. From **wall construction, partitions, waterproofing, and tiling to flooring in marble, granite, tiles, and wooden finishes**, we provide comprehensive solutions.

Whether you're **renovating an old apartment** or **constructing a new space**, our civil and renovation services ensure **precision, durability, and a seamless finish**.

---

## 5. False Ceiling & POP Designs

We create **modern false ceiling designs** that add elegance, depth, and style to your interiors. Using **POP, gypsum, wood, and decorative panels**, our ceilings can be customized with **LED lighting, cove lighting, and unique textures**.

False ceilings not only enhance aesthetics but also improve **acoustics, insulation, and lighting distribution**, making your home or office feel premium and comfortable.

---

## 6. Professional Painting Services

A fresh coat of paint can **transform any space**. We offer **professional painting solutions** using **Asian Paints, Nerolac, and Dulux premium paints**.

Our services include **wall preparation, putty application, primer coating, texture painting, stencil designs, and waterproof exterior paints**. We ensure **smooth finishes, long-lasting durability, and stain resistance**. Whether you prefer **classic shades or modern textured walls**, we bring your vision to life.

---

## 7. Home Automation

Step into the future with our **home automation solutions**. We integrate technology into your interiors with **smart lighting, motion sensors, climate control, voice-controlled devices, and security systems**.

Our automation services include:

- Smart lighting & dimmers
- Remote-controlled curtains & blinds
- Integrated audio-video systems
- CCTV and advanced security solutions

We make homes **smarter, safer, and more convenient**, giving you complete control at your fingertips.

---

## 8. 3D Designing & Visualization

Before we begin execution, our team prepares **realistic 3D designs** so you can visualize your home exactly as it will look. This allows for **adjustments in layout, colors, furniture, and finishes** before actual work starts.

Our **photorealistic 3D renders** help clients feel confident and make informed decisions. The final execution often turns out **as good as or even better than the 3D design**, thanks to our experienced execution team.

---

✓ With these comprehensive services, **Tech Interiors and Designers** ensures a **one-stop solution** for all your interior needs – from planning to handover.

# Portfolio / Our Work

Over the past 20 years, Tech Interiors and Designers has delivered **hundreds of successful projects** across Pune and Maharashtra.

## Residential Projects

- 1BHK to 5BHK apartments in **Viman Nagar (Eden Garden, Nico Garden, Rohan Mithila)**
- Luxury bungalows in **Nashik, Sangamner, and Pune**
- Row houses and duplexes in **Dhayari, Nanded City (Sur & Kalashree Apartments)**
- Modern homes in **Baner, Vishrantwadi, Kharadi, Alandi**

## Commercial Projects

- Office spaces designed for **functionality and elegance**
- Retail interiors with **customer-focused layouts**
- Cafés and boutique spaces with **customized furniture and ambience design**

Each project reflects our **commitment to detail, quality materials, and client satisfaction.**
